We will use commercially reasonable measures, consistent with industry standards, to maintain security of the information contained in the electronically delivered account statement(s) and notices. One of the main security features guarding the use of Online Banking is the unique combination of your Online Banking login ID and password. It is important that you protect the security of your Online Banking login ID and password by keeping them secret. By entering into this Agreement and using Online Banking, you agree to protect the security of your Online Banking login ID, password, and any other numbers, codes, marks, signs, keys, or other means of identification of you as an Online Banking user which may be devised or established from time to time.

By agreeing, you are authorizing Citizens Bank to provide notices and to deliver statements for the Citizens Bank account(s) identified by electronic means. You understand and agree that by requesting

electronic delivery, you will NOT receive statements in paper form delivered by regular U.S. Postal Service mail unless you specifically discontinue the eStatements service as described in this disclosure. If your paper statement includes images of cleared items, your eStatement will not include those images. In the event you cancel your electronic delivery you must contact a Citizens Bank employee to receive your check images again with your statement that will be delivered by regular U.S. Postal Service mail. You agree that electronic delivery will satisfy Citizens Bank's requirement to provide you a periodic statement of your account(s). Your consent shall remain valid until such time as you exercise your right to revoke this consent. Citizens Bank retains the right to discontinue this Service at any time. Your Service can be discontinued if the email notice is returned undeliverable for any reason.
