Citizens eBanking Online Access Agreement and Disclosure

This Agreement, which includes the Citizens eBanking Online Banking Fee Schedule, is a contract establishing the rules, which cover your electronic access to your accounts at Citizens Bank ("BANK") through Citizens eBanking ("SYSTEM"). By using SYSTEM, you accept all terms and conditions of this Agreement. Please read it carefully. The terms and conditions of the Account Agreement and disclosures for each of your BANK accounts as well as your other agreements with BANK such as loans continue to apply not withstanding anything to the contrary in this Agreement. This Agreement is also subject to applicable federal laws and the laws of the State of Oregon (except to the extent this Agreement can and does vary such rules or laws). If any provision of this Agreement is found to be unenforceable according to its terms, all remaining provisions will continue in full force and effect. The headings in this Agreement are for convenience or reference only and will not govern the interpretation of the provisions. Any waiver (express or implied) by either party of any default or breach of this Agreement must be in writing and shall not constitute a waiver of any other or subsequent default or breach. You may not assign this Agreement. This Agreement is binding upon your heirs and BANK's successors and assigns. Certain of the obligations of the parties pursuant to this Agreement that by their nature would continue beyond the termination, cancellation or expiration of this Agreement shall survive termination, cancellation or expiration of this Agreement. This Agreement, together with Citizens eBanking Online Banking Fee Schedule, constitutes the entire agreement between you and BANK with respect to the subject matter hereof and there are no understandings or agreements relative hereto which are not fully expressed herein. I understand that my acceptance of the terms, conditions, and fees set out in this Agreement are implied unless I notify the Bank in writing within 10 days of receipt.

To utilize our Bill Pay or Cash Management Services through our SYSTEM, you must have an active checking account with us.

Definitions
As used in this Agreement, the words "we", "our", "us" and "BANK" mean Citizens Bank. "You" and "your" refer to the account holder enrolled by BANK to use SYSTEM under this Agreement and anyone else authorized by that account holder to exercise control over the account holder's funds through SYSTEM. "Account" or "accounts" means your accounts at BANK. "Electronic fund transfers" means ATM withdrawals, pre-authorized transactions, point of sale transactions and transfers to and from your BANK accounts using SYSTEM including bill payments. "SYSTEM Services" means the Services provided pursuant to this Agreement, including the Bill Payment Service, eStatement Service, Mobile Banking Service, , Text Banking Service, Mobile Deposit Service and Cash Management Service. Internet Security Information
Our SYSTEM utilizes a comprehensive security strategy to protect accounts and transactions conducted over the Internet. In addition to our login security, we use SSL (secure socket layer) encryption technology for everything done in the SYSTEM. Your browser automatically activates this technology when it attempts to connect to our SYSTEM and it will support 128-bit key lengths. Whenever SSL is securing your communications, the browser will typically indicate the "secure session" by changing the appearance of a small padlock icon from open to lock. What this means to you is that your communications are scrambled from your browser to our servers at all times, so no unauthorized party can read the information as it is carried over the Internet. Additionally, our servers have been certified by a "Certificate Authority" to assure you that you are actually talking to our servers instead of someone pretending to be us.

During your use of the SYSTEM, we will pass a "cookie" to your browser to identify you. We do not (and cannot) use our cookies to obtain new information about you. A "cookie" is security data given to a browser by a web server and returned by the browser on subsequent transmissions to identify the user and encryption information. When you log onto the SYSTEM,
this cookie enables us to process multiple transactions during the session without you having to provide your Login ID and password for each individual transaction. After 10 minutes or when you log off, the session cookie is removed. A new cookie is used for each session, so that no one can use the cookie to access your account.

**Enrollment Process**
The SYSTEM Services require the customer to complete the initial enrollment process. This involves printing an Online Banking Enrollment Form and mailing it or delivering it to any Citizens Bank Branch. The information on the Online Banking Enrollment Form will identify everything we will need to enable Online Banking Service. Once we verify the information you submitted for accuracy and authorizations, your Online Banking login ID and password will be delivered by U.S. Postal Service. If you are a business customer we will contact you with your Business login ID and temporary password, and your Administrator login ID and temporary password. If you are a business customer with Single Sign-On you will receive an email with a secure link to our Online Banking Service where you will create your Single Sign-On ID and password.

**Access**
To utilize SYSTEM, you must have at least one active account at BANK, access to Internet service and an email address. Once we have received your signed Online Banking Enrollment Form and verified your account information, we will send you confirmation of our acceptance of your enrollment, along with your assigned login ID and temporary password, through the U.S. Postal Service. If you are a business customer we will contact you with your Business login ID and temporary password, and your Administrator login ID and temporary password. If you are a business customer with Single Sign-On you will receive an email with a link to our Online Banking Service where you will create your Single Sign-On ID and password. SYSTEM can be used to access only the BANK accounts designated for access by SYSTEM in your Online Banking Enrollment Form. You can add or delete any of your BANK accounts from this Agreement by contacting your Branch. Access to your accounts through SYSTEM will be based upon the identification of users and authority levels specified by you in your Online Banking Enrollment Form. We undertake no obligation to monitor transactions through SYSTEM to determine that they are made on behalf of the account holder.

**SYSTEM Services**
You can use SYSTEM to check the balance of your BANK accounts, view BANK account histories, transfer funds between your BANK accounts, make Citizens Bank loan payments, make stop payment requests, view statements, setup Alerts with options to receive by email, at login or by text (you agree to be solely responsible for all fees, limitations and restrictions, such as text messaging charges, imposed on you by your mobile service provider for uses of or interaction with Alerts), download transactions to Quicken or Quickbooks, activate or report lost or stolen ATM/Citizens Check Cards, view eStatements and eNotices if enrolled in SYSTEM’s eStatement/eNotice Service, view accounts on your smartphone or tablet if enrolled in SYSTEM’s Mobile Banking Service, make check deposits on your smartphone if enrolled in SYSTEM’s Mobile Deposit Service, and pay bills from your BANK accounts in the amounts and on the dates you request if enrolled in SYSTEM’s Bill Payment Service. Balance and activity information are available as of 12:00 a.m. Pacific Time for the previous day.

**Cash Management Service (Business Accounts)**
To utilize the Cash Management Service you will need to agree and submit a Cash Management Application to an Officer of the Bank for Approval for Domestic Wire Transfers, ACH services and/or Positive Pay services. To access the ACH services an ACH Origination Agreement is required and/or to access the Positive Pay services a Positive Pay Agreement is required.

Once we have received your signed Cash Management Application, ACH Origination Agreement and/or Positive Pay Agreement, and it has been approved by an Officer of the Bank, we will contact you with your Business login ID and temporary password, your Administrator login ID, temporary password and Secure Token. You will be required to create your Single Sign On login ID along with registering your Secure Token.

Your Secure Token after registration must be used at each Online Banking login after the correct login ID and password are accepted. By using these services when they become available, you agree to be bound by the terms contained in this Citizens eBanking Agreement and Disclosure.

Inactive Accounts
If during a consecutive 180-day period you do not access the Online Banking or Bill Payment services, BANK reserves the right to terminate your access privileges. If you wish to reactivate your Service, a new Online Banking Enrollment Form will need to be filled out and executed.

Hours of Access
You can use SYSTEM seven days a week, twenty-four hours a day, although occasionally some or all SYSTEM services may not be available due to emergency or scheduled system maintenance. We agree to post notice of any extended periods of non-availability on the SYSTEM website.

Your Password
To begin a session with SYSTEM the user is required to enter their 12 digit login ID, password, choose an Image, and answer 3 questions upon initial login. Without the proper login, the user cannot see or use any web pages within the SYSTEM. Both your login ID and password can be changed after your first successful login. For security purposes, you are required to change your password upon your initial login. You will be prompted to change your password every 360 days. Although it is not required, for your safety and security we recommend you change your password every 90 days. You determine what password you will use, with a minimum of 8 characters, including one upper case and one lower case letter, number, and one of the following special characters (!, @, $, ~, *, +, _). The identity of your password is not communicated to us. Your password should not be associated with any commonly known personal identification, such as social security numbers, address, date of birth or names of children, and should be memorized rather than written down. You agree that we are authorized to act on instructions received under your password. You accept responsibility for the confidentiality and security of your password and agree to change your password regularly. Upon three unsuccessful attempts to use your password, your access will be suspended. To re-establish your authorization, you can enable the Password Self-Reset feature in your Online Banking, and then you are able to reset your own password by selecting Forgot Password once you enter your login ID. Otherwise, you must contact us during regular business hours to have your password reset. Upon successful login, the Digital ID from VeriSign, authenticates the user's identity and establishes a secure session with that visitor. Login sessions have a timeout limit and after the limit is reached you are required to login again.

MFA Security
Multi-Factor Authentication (MFA) challenges users for additional information prior to accessing online banking or completing a transaction, based on a risk score or hard rule. MFA authenticates each user to a Web site based on a password and specific positive device forensics and, at the same time, authenticates the site to the user with visual images, offering both parties assurances that they are taking part in a legitimate transaction. To begin a session with SYSTEM the user is required to enter their 12 digit login ID and password, choose an Image, and answer 3 questions upon your initial login. You determine the Image and answers to the questions; the identity of your MFA Image is not communicated to us. You accept
Citizens eBanking Online Access Agreement and Disclosure Revised 5.11.17

responsible for the confidentiality and security of your Image, questions and answers. Upon three unsuccessful attempts, your access will be suspended. To re-establish your authorization to use SYSTEM, you must contact us to have your MFA Security reset.

Account Number Masking and Account Aliases
For security reasons complete account number(s) will not appear in your online banking. Account "Aliases" may be defined for the account(s) (i.e., "My Checking") and are used when displaying account information on the screen.

Security
You understand the importance of your role in preventing misuse of your accounts through SYSTEM, and you agree to promptly examine your statement for each of your BANK accounts as soon as you receive it. You agree to protect the confidentiality of your account and account number, and your personal identification information such as your driver's license number and social security number. You understand that personal identification information by itself or together with information related to your account may allow unauthorized access to your account. Your password and login ID are intended to provide security against unauthorized entry and access to your accounts. Data transferred via SYSTEM is encrypted in an effort to provide transmission security; SYSTEM utilizes identification technology to verify that the sender and receiver of SYSTEM transmissions can be appropriately identified by each other. Notwithstanding our efforts to ensure that the SYSTEM is secure, you acknowledge that the Internet is inherently insecure and that all data transfers, including electronic mail, occur openly on the Internet and can potentially be monitored and read by others. We cannot and do not warrant that all data transfers utilizing SYSTEM, or email transmitted to and from us, will not be monitored or read by others.

Fees and Charges
Please refer to the Citizens eBanking Online Banking Fee Schedule. You agree to pay the fees and charges as set forth in the current Fee Schedule for your use of SYSTEM Services. You agree that all such fees and charges will be deducted from the BANK account designated as the "Primary Account" on your Online Banking Enrollment Form. If you close your Primary Account, you must contact us immediately to designate another account as your Primary Account. You agree to pay any additional reasonable charges for services you request not covered by this Agreement. You are also responsible for telephone and Internet service fees incurred in connection with your use of SYSTEM.

Posting of Transfers
Transfers initiated through SYSTEM before 6:00 p.m. Pacific Time on a business day are posted to your account the same day, unless disclosed otherwise. Transfers completed after 6:00 p.m. Pacific Time on a business day, Saturday, Sunday or banking holiday will be posted on the next business day. SYSTEM identifies a transfer based upon the login ID of the user who made the electronic transfer. You agree to communicate to any other persons with authorized access to your accounts concerning any transfers or bill payments from your accounts, in order to avoid overdrafts.

Overdrafts (Order of Payments, Transfers and other Withdrawals)
If your account has insufficient funds to perform all electronic fund transfers you have requested for a given business day, then: (a) Electronic fund transfers involving currency disbursements, like ATM withdrawals, will have priority; (b) Electronic fund transfers initiated through SYSTEM which would result in an overdraft of your account may, at our discretion, be cancelled and (c) In the event that electronic fund transfers initiated through SYSTEM which would result in an overdraft of your account are not canceled, overdraft charges may be assessed pursuant to the terms of the Account Agreement for that account. Checks will be paid in sequential order based on check number.

Limits on Amounts and Frequency of SYSTEM Transactions
The number of transfers from BANK accounts and the amounts that may be transferred are limited pursuant to the terms of the applicable Account Agreement and disclosure for those accounts. If a hold has been placed upon deposits made to an account from which you wish to transfer funds, you cannot transfer the portion of the funds held until the hold expires.

Disclosure of Information to Parties Outside of Citizens Bank
Citizens Bank recognizes and respects your expectations of privacy. We will take the necessary steps to ensure that information you share with us remains confidential. All BANK employees recognize the privacy concerns of customers and practice sensible "Privacy Safeguards" in their everyday activities. We do not reveal information about our customers, or
their accounts, to parties outside the Bank for their independent use unless: 1) to help complete a customer-initiated transaction, 2) to help administer the institution's bona fide business, 3) at the customer's request, 4) the disclosure of information is required, by law (i.e., subpoena), 5) to a reputable information reporting agency (i.e., credit bureau), 6) after the customer has been informed about the possibility of such disclosure through a prior communication and is given the opportunity to decline (i.e., "opt out").

Periodic Statements
You will not receive a separate SYSTEM statement. Transfers to and from your accounts using SYSTEM will appear on the respective periodic statements for your BANK accounts.

Change in Terms
We may change any term of this Agreement at any time. If the change would result in increased fees for any SYSTEM service, increased liability for you, fewer types of available electronic fund transfers or stricter limitations on the frequency or dollar amount of transfers, we agree to give you notice at least 21 days before the effective date of any such change, unless an immediate change is necessary to maintain the security of an account or our electronic fund transfer system. We will post any required notice of the change in terms on the SYSTEM website or forward it to you by email or by U.S. Postal Service. If advance notice of the change is not required, and disclosure does not jeopardize the security of the account or our electronic fund transfer system, we will notify you of the change in terms within 30 days after the change becomes effective. Your continued use of any or the entire subject SYSTEM Services indicates your acceptance of the change in terms. We reserve the right to waive, reduce or reverse charges or fees in individual situations. You acknowledge and agree that changes to fees applicable to specific accounts are governed by the applicable Account Agreement and disclosures.

Electronic Fund Transfers Your Rights and Responsibilities
The Electronic Fund Transfer Disclosure does not apply to any accounts other than consumer accounts, as defined by Regulation E. Indicated below are types of Electronic Fund Transfers we are capable of handling, some of which may not apply to your account. You may provide your check to a merchant or service provider who will scan the check for the encoded bank and account information. The merchant or service provider will then use this information to convert the transaction into an electronic funds transfer. This may occur at the point of purchase, or when you proved your check by other means such as by mail or drop box.

Electronic returned check charge
Some merchant or service providers will initiate an electronic funds transfer to collect a charge in the event a check is returned for insufficient funds.

Some of these services may not be available at all terminals.

You may access your checking account(s) to purchase goods (in person or by phone), pay for services (in person or by phone), get cash from a merchant, if the merchant permits, or from a participating financial institution, and do anything that you can do with a credit card (that a participating merchant will accept with a credit card).

Check Card Point-of-Sale Transactions - Dollar Limitations
Citizens Check Card: You may not exceed $2,000.00 in your checking account for purchase per day, per card

Currency Conversion and International Transactions
When you use your VISA® branded debit card at a merchant that settles in currency other than US dollars, the charge will be converted into the US dollar amount. The currency conversion rate used to determine the transaction amount in US dollars is either a rate selected by Visa from the range of rates available in wholesale currency markets for the applicable central processing date, which rate may vary from the rate Visa itself receives, or the government-mandated rate in effect for the applicable central processing date. The conversion rate in effect on the processing date may differ from the rate in effect on the transaction date or posting date.

Visa USA charges us a .8% International Service Assessment on all international transactions, regardless of whether there is a currency conversion. If there is a currency conversion, the International Service Assessment is 1% of the transaction. In either case, we pass this international transaction fee on to you. An international transaction is a transaction where the country of the merchant is outside the USA.

Advisory against Illegal Use
You agree not to use your card(s) for illegal gambling or other illegal purpose. Display of a payment card log by, for example, on online merchant does not necessarily mean that transactions are lawful in all jurisdictions in which the cardholder may be located.

PIN-LESS DEBIT TRANSACTIONS - Visa®
PIN-LESS DEBIT TRANSACTIONS - Visa®. When you use your card on the Accel network(s) the transaction may be processed as a debit transaction without requiring PIN authentication ("PIN-less"). Transactions that are completed as PIN-less debit transactions will not be processed by Visa® and may post to your account as an ATM or Debit transaction rather than a Visa® purchase. Transactions processed in this manner may not qualify for Visa® rewards or points as they are not processed on the Visa® network.

Transactions completed as PIN-less debit transactions include, but may not be limited to, government payments, utilities, and property management fees.

Accel Network ((C)2013 Fiserv, Inc. or its affiliates. Accel and the Accel logo are trademarks of Fiserv, Inc.).

The zero liability provisions do not apply to PIN-based or PIN-less debit transactions not processed by the Visa® or Plus Network, including ATM transactions outside of the United States.

Visa Rules generally define PIN-Debit Network as a non-Visa debit network that typically authenticates transactions by use of a personal identification number (PIN) but that is not generally known for having a card program.

11. If you have not properly followed the on-screen instructions for using SYSTEM.

Unauthorized Transfers
(a) Consumer liability.
1) Generally. Tell us AT ONCE if you believe your card and/or code has been lost or stolen, or if you believe that an electronic fund transfer has been made without your permission using information from your check. Tell us AT ONCE if you believe your password has been lost, stolen, or used without your authorization, or otherwise compromised or if someone has transferred or may transfer money from your accounts without your permission. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit). If you tell us within 2 business days, you can lose no more than $50.00 if someone used your card and/or code without your permission.

If you do NOT tell us within 2 business days after you learn of the loss or theft of your card, password and/or (PIN), and we can prove we could have stopped someone from using your card and/or code without your permission if you had told us, you could lose as much as $500.00.

Also, if your statement shows transfers that you did not make, tell us at once. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we shall extend the time periods.

2) Additional Limits on Liability for VISA®-branded debit cards. Unless you have been grossly negligent or have engaged in fraud, you will not be liable for any unauthorized transactions using your lost or stolen VISA® card. This additional limit on liability does not apply to ATM transactions outside of the U.S., to ATM transactions not sent over VISA® or Plus networks, or to transactions using your Personal Identification Number which are not processed by VISA®. VISA® is a registered trademark of VISA® International Service Association.

(b) Contact in event of unauthorized transfer. If you believe your card and/or code or password has been lost or stolen or that someone has transferred or may transfer money from your account without your permission, call or write us at the telephone number or address listed at the end of this disclosure.

Error Resolution Notice
In Case of Errors or Questions about Your Electronic Transfers, including Bill Payments, Call or Write us at the telephone number or address listed at the end of this disclosure, as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared.

1. Tell us your name and account number (if any).
2. Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
3. Tell us the dollar amount of the suspected error.
4. If the suspected error relates to a bill payment made via the SYSTEM Bill Payment Service, tell us the account number used to pay the bill, payee name, the date the payment was sent, payment amount, and the payee account number for the payment in question (this information appears on the Payment History - Payment Inquiry Screen). If you tell us orally or by email, we may require that you send us your complaint or question in writing within 10 business days. We will determine whether an error occurred within 10 business days (5 business days for VISA®-branded debit card point-of-sale transactions and 20 business days if the transfer involved a new account) after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days (90 days if the transfer involved a new account, a point-of-sale transaction, or a foreign-initiated transfer) to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days (5 business days for VISA®-branded debit card point-of-sale transactions and 20 business days if the transfer involved a new account) for the amount you think is in error, so that
you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account. Your account is considered a new account for the first 30 days after the first deposit is made, unless each of you already has an established account with us before this account is opened.

We will tell you the results within 3 business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.
